Established in 1996, TeksMed Services Inc. is a leading disability and claims management firm, offering employers across Canada a complete solution to workplace injury and short term disability management. Our team of experts have devised processes and methods that effectively reduce wage loss and claim costs by helping ill and injured workers maximize their work potential. We focus on ability, not disability, provide fast, world-class health care, and assist in establishing an early and safe return to work. TeksMed is committed to helping Canada work!

TeksMed is currently looking to fill an opening within our Eastern Return to Work department, based in Toronto, Ontario. This is a full time position for a Return to Work Coordinator (RTWC) who will directly report to the Team Leader. We are looking for a motivated, self-starter with a strong work ethic, integrity and drive. This position requires excellent communication skills and the capacity to flourish in a fast paced, ever changing environment.

Key responsibilities surround the ongoing management of workers' compensation claims, assess the costs attached to each claim, liaising with the Board, clients and their injured workers, maintain and build client relationships by providing exceptional client service over the phone.

If you think you have what it takes to join our team, a potential career opportunity awaits you!
