

The TeksMed Difference

This fire & flood restoration company enlisted TeksMed's help to improve their disability management program—and our impact on their experience rating speaks for itself!

At its highest, this client's experience rating was **93.1%**

Overall, this client has seen a return of **\$6.50 for every \$1** invested in TeksMed's disability management program.

The first experience rating that considered only years partnered with TekMed plummeted **61.9%**

The client's experience rating for 2024 is **-18.7%**. If their experience rating was still 93.1%, they would have owed an additional **\$890,000** in 2024 alone.
